Sir:

In accordance with 37 C.F.R. §§ 1.97 and 1.98 *et seq.*, enclosed are Forms PTO/SB/08a and PTO/SB/08b citing documents that were previously cited in the Information Disclosure Statement filed January 12, 2005, in the above-captioned patent application. The cited documents, however, have not yet been considered since the U.S. Patent Office file copies of these documents were missing, as indicated on page 4 of the Office Action dated February 1, 2006. This Supplemental Information Disclosure Statement also cites parent U.S. Patent No. 6,849,756, as well as WO 92/00750.

These documents are being provided within the time period specified under 37 C.F.R. § 1.97(c). Therefore, it is believed that a fee of **\$180** is due under 37 C.F.R. § 1.17(p). Please debit our Deposit Account No. 19-0733 for that amount. However, if the actual fee is more or less than that amount, please debit the correct amount.

As copies of all non-U.S. Patent documents are being submitted herewith, entry and consideration of the cited documents are respectfully requested, together with a return of the Form PTO/SB/08b initialed by the Examiner indicating the same.

In accordance with 37 C.F.R. § 1.97(h), the filing of this Information Disclosure Statement shall not be construed as an admission that the information cited herein is, or is considered to be, material to patentability as defined in 37 C.F.R. § 1.56(b). Applicants do not waive any rights to establish patentability over any of the listed references, should they be applied against the claims of the above-captioned patent application.

Respectfully submitted,
